GRADE 8

THE CLASS OF 2024

A photograph showing two students, a male and a female, sitting at a table and working on a project. They are both wearing dark clothing. The male student is on the left, and the female student is on the right. They are looking down at their work. On the table, there are various items including a jar, some papers, and what appears to be a small plant or object they are working on. The background shows a classroom setting with shelves and other students.

A photograph showing three students in a pottery studio. They are seated at pottery wheels, shaping clay. The student on the left is wearing a dark shirt and a red apron. The student in the middle is wearing a white shirt and a blue apron. The student on the right is wearing a red and white shirt and a colorful floral apron. The background shows shelves with various pottery supplies and finished pieces.

A group of students are working on a project in a classroom. They are gathered around a table, looking at a large sheet of paper. One student is pointing at the paper, while others are looking on. The classroom has shelves in the background filled with various items, and a large window is visible on the right.

A group of approximately 15 students are sitting on a dark floor in a circle, facing each other. They are dressed in casual clothing like hoodies, jeans, and sneakers. The setting appears to be a stage or a large room with a dark backdrop. The students are engaged in a group activity, possibly a discussion or a game.
